

Join the fun by being part of the 2008 WSSCA National Specialty Regional Club Basket Silent Auction.

Each participating club can pack whatever items they like to represent their regional club, their part of the country, and, of course, Welsh Springer Spaniels.

The baskets will be displayed and available for silent auction during the National Specialty and the Annual Banquet.

Proceeds for each basket will be divided up between WSSCA (35%) and the respective Regional Club (65%).

In the spirit of this being an election year, ballots will also be available to vote for your favorite basket. The winner of the highest number of votes will receive 100% of their basket's earnings. So -- Vote Early. Vote Often. Be Creative. Bring Money.
